

Making a Difference

A MESSAGE FROM OUR FOUNDER

At Aliyah Foundation, we are committed to our vision of Jews and Christians, partnering with God, to achieve the physical and spiritual restoration of Israel. We are living in unique times where many biblical prophecies are being fulfilled and God is regathering His people from around the globe.

Together, we can lay a strong foundation of prayer and action to help make God's salvation plan become a reality in peoples' lives. I hope you will join us in our mission to bless Israel, transform lives, and bridge faith communities.

With you in His service,

Paul Klassen

IMPACT SNAPSHOT

A YEAR WITH UNIQUE CHALLENGES

The severity of the attacks on October 7th created needs of immense proportion. Within days, our team in Israel was mobilized and began helping people in dire situations. We are grateful for the response of generous donors, who jumped in to help.

This conflict has opened deep wounds that will take years to heal and we intend to stay and extend our comforting arms for years to come.

*"Comfort, comfort My people," says your God."
-Isaiah 40:1*
